

reporting agencies without regard to the size of the urbanized area served by the reporting agency.

§ 630.6 Late and incomplete reports.

(a) *Late reports.* Each reporting agency shall ensure that its report is received by the FTA on due dates prescribed in the annual Reporting Manual. A reporting agency may request an extension of 30 days after the due date. The FTA will treat a failure to submit the required report by the due date as failure to report data under § 630.05.

(b) *Incomplete reports.* The FTA will treat any report or submission which does not contain all the necessary reporting forms, data, or certifications for services directly operated by the reporting agency in substantial conformance with the definitions, procedures, and format requirements set out in the section 15 Uniform System of Accounts and Records and Reporting System as failure to report data under § 630.05. The FTA will treat the submission of a report with incomplete data or missing forms for services provided under contract to the reporting agency by private or public carriers as failure to report data under § 630.05 provided that the reporting agency has exhausted all possibilities for obtaining this information.

§ 630.7 Failure to respond to questions.

The FTA will review each section 15 report to verify the reasonableness of the data submitted. If any of the data do not appear reasonable, the FTA will notify the reporting agency of this fact and request written justification to document the accuracy of the questioned data. Failure of a reporting agency to make a good faith written response to this request will be treated under § 630.5 as failure to report data.

§ 630.8 Questionable data items.

The FTA may enter a zero or adjust any questionable data item(s) in a reporting agency's section 15 report used in computing the section 9 apportionment. These adjustments may be made if any data appear inaccurate or have not been collected and reported in accordance with the FTA's definitions and/or confidence and precision levels, or if there is lack of adequate docu-

mentation or a reliable recordkeeping system.

§ 630.9 Notice of FTA action.

Before taking final action under § 630.5, § 630.6, § 630.7 or § 630.8, the FTA will transmit a written request to the reporting agencies to provide the necessary information within a specified reasonable period of time. The FTA will advise the reporting agency of its final decision in this regard.

§ 630.10 Waiver of reporting requirements.

Waivers of one or more sections of the reporting requirements may be granted at the discretion of the Administrator on a written showing that the party seeking the waiver cannot furnish the required data without unreasonable expense and inconvenience. Each waiver will be for a specified period of time.

§ 630.11 Data adjustments.

Errors in the data used in making the apportionment may be discovered after any particular year's apportionment is completed. If so, the FTA shall make adjustments to correct these errors in a subsequent year's apportionment to the extent feasible.

§ 630.12 Display of OMB control numbers.

All of the information collection requests in this part have been approved by the Office of Management and Budget under control number 2132-0008.

APPENDIX A TO PART 630—OVERVIEW
AND EXPLANATION OF THE URBAN
MASS TRANSPORTATION INDUSTRY
UNIFORM SYSTEM OF ACCOUNTS AND
RECORDS AND REPORTING SYSTEM

A. Introduction

Section 15 of the Federal Transit Act, as amended, provides for establishment of two information-gathering analytic systems: A Uniform System of Accounts and Records, and a Reporting System for the collection and dissemination of public mass transportation financial and operating data by uniform categories. The purpose of these two Systems is to provide information on which to base public transportation planning and public sector investment decisions. The section 15 system is administered by the Federal Transit Administration (FTA).
